

Here are the class lists for 2020. I apologize for the delay in getting these out but all classes are now set for next year. I will post the lists up on Facebook also.

We have worked hard to balance the classes across the school as well as maintaining the smallest possible class numbers.

We are looking forward to an exciting year in 2020. We have many plans in place already to provide the children with stimulating and engaging learning opportunities as well as planned staff development so we can continue to improve our teaching practise.

Thank you to parents and whanau who have supported the children in their learning and the staff in the work we do are Koraunui School this year.

I wish everyone a happy and safe holiday break and look forward to seeing the children back in the new year.

nga mihi
