Kia ora, Talofa lava, Greetings

YEAR SIX SWIMATHON: Well done crew! Nineteen Year Sixes swam and swam for the whole hour, with very few stops. An amazing effort, especially for those who had already had a full on sports and Kapa Haka noho. Very hard work. Remember now to collect your sponsor money and return it to the office for banking into your camp accounts.

50c STALLS THIS WEEK

FRIDAY LUNCHES: Orders in by Thursday lunch time.

KPG MILK BOTTLE FUNDRAISER: Last week's total was \$67.90. The grand total raised is \$784.40
Here are the class totals. Rooms 7 and 15 are running a very close first at the moment. Four weeks to go!

A great reading challenge with tasty rewards. Hell Pizza Reading Challenge

Koraunui School is participating in the **Hell Pizza Reading Challenge**, which is being run in conjunction with the 2016 New Zealand Book Awards for Children and Young Adults.

The Hell Pizza Reading Challenge is a highly successful programme that gets kids reading and enjoying the pleasures of stories with free pizza rewards.

How the Hell Pizza Reading Challenge works:

Year Three to Year Six children are being given "pizza wheels". Every time they finish a book, the wheel gets clicked off and signed by a teacher or librarian. When they have finished seven books, they can take their completed pizza wheel to any Hell store and redeem it for a free 333 Kids' Pizza.

All HELL kids 333 pizzas pass the FSANZ Nutrient Profiling Scoring Standard 1.2.7. Hell kids' pizzas are very high in protein & calcium, high in fibre, low in sugar, and damned tasty!

Here are the rules:

- Each pizza wheel is good for one 333 Kids' Pizza from any Hell store nationwide
- The wheel must be clicked off and signed by a teacher/librarian, and stamped with the official school stamp
- One pizza per visit per child
- Wheels are non-transferable for money
- Children must redeem their free pizza in person, and before Sunday 4 December 2016

If you have any queries about the Hell Pizza Reading Challenge, please contact the school office

HAVE YOU EVER WONDERED HOW IMPORTANT A GOOD NIGHT'S SLEEP IS FOR YOUR CHILD'S LEARNING?

The **University of Otago's Sleep, Education and Learning in Our Neighbourhood (SEALION) survey...**

Is looking at children's sleep, and how it may affect learning during the school day, in the New Zealand School Community.

We are looking for parents of **6 to 10 year old children** to fill out a questionnaire online (or at home) and go into the draw to win one of five \$150 supermarket vouchers.

Click this link to fill in the survey or contact:

GORILLAS

This report is about gorillas. Gorillas look like a fluffy dog and cat. They eat leaves and vines. They live in the forest and jungles and the zoo. They sleep and climb and eat a lot. They sleep in nests. They change it each day. They have pills for them not to have babies. They are not fierce

Sometimes they stand up on their feet and they go on their knuckles and feet. They have strong hands. Their arms are longer than their feet. They have no tails. Some look like circus gorillas. They howl and growl and bang their chests.

They live for 52 years.

An excellent information report by Alex Beyer Age 7

Bart Saul: Age 5

Azarhya Puketapu: Age 5

Molly Carroll: Age 5

Some wonderful research work from our Year Ones. This information is what they already know about their chosen creature. Now they are going to research to find out more.

They know quite a bit already!

Our tool shed construction crew, Bobs and Barbs the Builders! They're getting pretty handy with those hammers!
