

Thank you so much for all your organisation.
It was a wonderful night the night we were there - such an uplifting event.
You're wonderful!
Mary (Maidstone Int.)

Before I forget - thank you so much for your work in coordinating Polyfest. This was our first experience being part of it and every aspect was made easy thanks to the clear communication you provided.

Our kids loved it and our parents were thrilled to see their kids involved.

Well done and Thank you.

Kind regards
Martin Hookham
Korokoro School Principal

I was at the Polyfest on Monday night with my daughter from Normandale School and thought that Koraunui School's performance was fantastic. There was so much enjoyment present, what a way to start the show. Well done, I'm sure a lot of hard work has gone into this week.

Regards
Ondine

Wow! I just wanted to send you a quick email to somehow try to express my gratitude and respect for the amazing team of Koraunui staff that was there last night for the Polyfest. The backstage team were just fabulous - we thank you all so much for the time and energy that was invested! We know how hard we all worked to get our children there and on stage (and we're all still so thrilled by how everything came together) - but I know just how hard the team must've been working this week. Can you please pass on my greatest thanks, we really hope that they are all there again to assist and guide us next year!

Kindest regards and thanks

Kia ora whānau,
Nga mihi nui kia koutou katoa!

On behalf of Te Kōmiti Whakahaere, we want to give a big mihi to everyone who took part in our first regional event yesterday. It was great to see all the hard work that has been put in over a short period of time.

Thank you to Barbara Hay (principal) of Koraunui School and her Polyfest Crew who allowed us to run our kaupapa under the Polyfest umbrella. Thank you that we were able to utilise the Polyfest set up from venue, staging, lighting, sound and ushers. You saved us thousands of dollars and thousands of headaches. Tenei ka mihi kia koutou Barbara.

Thank you to all of you from all of us.
Once again it was a joy to be involved in.
Our kids are so proud of themselves and happy to have been part of it.
Thank you for providing the opportunity for that to happen.
Your organisation was amazing and greatly appreciated.
All the best for relaxing after this major effort.

Thanks again for all the hard work that goes into the shows. I can't imagine how much stress must be caused by the numerous balls you have in the air.

Well done.

A huge thanks for all the work you and your team do for the schools and kids in the Hutt Valley. A true example of the working for the common good that the Col's are trying to promote.

Thanks for making this opportunity available for our kids and fanau/whanau. We will continue to be involved as long as we have the expertise of community tutors available to us.

Cheers

The festival was great. I think next year we'll be competing rather than just participating. The end of Term Two still sounds great to us. Congratulations, You're a legend. Our boys thoroughly enjoyed the experience. One of our boys wants to buy two DVDs so far but I'm sure more orders will come. Thank you once again.

Wow what an amazing event you and your team have put on.

The Hutt Valley Polyfest experience has been so exciting for our students and they are still buzzing, our parent community were blown away.

We are definitely keen to be a part of this event again and have some of our younger students putting their hands up to take on the leadership roles within our Cultural Club for 2017!

Thank you and your team for a very well organised and well run event and all the support they gave us every step of the way.
