Kia ora, Talofa lava, Greetings

Watch and help me grow from birth to 18 months!

	Birth - 3 Months	3 - 6 Months	6 - 9 Months	9 - 12 Months	12 - 15 Months	15 - 18 Months
PHYSICAL HEALTH I grow and learn best when my body is healthy.	I can lift my head. I need some awake time on my tummy, playing with you on the floor.	I can roll over. I love exploring on the floor. Put toys near me...I'll reach for them!	I can sit up, try to move. I learn by doing. Give me toys I can hold and a safe place to move around.	I use my fingers and toes. Play games and sing songs with me that use my hands and feet.	I start walking without help. Let me try new things. Play and walk with me outside.	I can climb and dance. Find places I can use my arms and legs to climb safely. Dance with me!

YES THERE IS SCHOOL ON FRIDAY!

This date was put in the school fundraising 2016 Calendar as a staff only day, however, we had to use it for the day we took teacher Chanelle Smith onto her new school in Napier way back in Term One.

So, business as usual on Friday.

This coming Saturday is the closing ceremony for the SV Library and SV Community Hall. As part of this, the three schools in the valley are coming together to sing a Waiata, 'Purerehua' and a haka, taught by Whaitiri Poutawa. All classes have been practicing these from a clip created by Tui Glen School seniors.

Our performance times are 1.15pm and 2.15pm at the library/community hall. There is a sausage sizzle! We need to ensure that we have a core group of children of about 30 children attending the ceremony, any ages. This group will be going down to join with Tui Glen and Tawhai children for a final rehearsal on Wednesday at 10.30am at Tawhai School.

Please return the slip below tomorrow or text on 022 170 1927 or leave a message on our website to let me know if your child will be coming along. It should be heaps of fun!
