Heating pipes and boiler work.

We have work happening on the boiler heating and leaks in our pipe work from Kauri Block to Kowhai Block. The pipes are in our entrance way and will make access more difficult for the next 3 weeks or so. There are 3 Entry points to school; the end of Room 11, between Kauri Block-Room3 and KCC or from Montgomery Street.

We are sorry for the inconvenience.

Polyfest is week 10 of this term!

Please expect a busy term of practices and possible sleep-overs. Keep an eye out for notices if your child is part of this amazing cultural opportunity, which we are proud to host. We will be needing lots of helpers.

Do you have or know of any 5 year olds who are starting school this year? New student enrolment forms are available at the office. If you require further information, please contact the office on 9399707 or message us on our school website or facebook page.
