KORAU

The school focus, until the end of Term, is **UNITE**. We are talking in classes about working as a team, as a whanau. We know that as a team and with the support of each other we can achieve more.

This year our Matariki Cultural day is focused on the diversity within Aotearoa and the iwi regions.

Come along to the sharing assembly after lunch at 1:45pm in the hall.

This will be an opportunity for tamariki to share about what they have learnt during Matariki Cultural day.

Violin classes are wrapping up for Koraunui this year, as Megan and Alison move to work in Pomare and Taita Central schools. Thank you to the Room 3 & Mrs. Joe and Room 9 & Whaea Vanessa for their participation!

If you have enjoyed violin and want to continue, you can join our Friday 2:00pm class! Sign up in the office. We start Friday 18 August.

from Alison Eldredge, Director, Arohanui Strings-Sistema Hutt Valley

Interzone cross country.
TUESDAY 20 JUNE
9:00-12:30pm

We have 27 children representing us at the Interzone cross country this year!

We wish them all the best.

Polyfest **2 weeks and counting!!**
\$5:00 Tickets are on sale now at the School office!!

Time to return all school library books, ready for us to do a stocktake during the school holidays. Please check under the bed, behind the couch, in old schoolbags.....in the car!

No more issues this term.

Unity is strength... when there is teamwork and collaboration, wonderful things can be achieved.

Mattie Stepanek

Asthma:

Year 0-4 have Chris and Sailor the Puffa Fish performing a show on Monday 26th June. Children and families who live with asthma can leave the show knowing how to manage asthma more effectively, and everyone else can leave knowing how to support those people, especially in an emergency.'

WHATS COMING UP?

KORAUNUI SCHOOL Community Engagement on Asthma

He Kura Asthma Study

This year our school is taking part in the He Study with the University of Otago and Tu Maori Asthma Trust. The study aims to guidelines and resources to help us to improve support for our students with asthma. Asthma is a big problem in New Zealand with one in five children having asthma symptoms. The ways in which schools support a child with asthma can have a significant impact on their asthma control and learning. Our staff have received asthma training from Asthma Wellington and our school now has asthma emergency kits. Other parts of the study include student asthma education, an environmental assessment and linkages with healthcare providers. There will be regular information about asthma in our newsletters and on our Website this year. The researchers are interested in your ideas about this project so please feel free to contact the research team on 0800 755 414 or wtr@otago.ac.nz.

Kura Asthma
Kotahi
provide

Our school is part of this Asthma research project. We would be grateful if you could fill in the attached asthma forms.

**There is a prize draw for returning the Asthma Forms
The winner of this receives a \$50 new World grocery voucher.**
