Welcome Back

Hope you holidays were full of fun, adventures and rest.

We have started Term Four with a quiet and steady first day. The children have been excited to see each other again and there have been wonderful smiles as they have said hello to their teachers.

We are gearing up for the BioBlitz in week four, Monday, November the 6th.

This is going to be an amazing event and we anticipate approx. 60 scientists and about 400 people at this event.

If you are able to join us and help out we would love to see you.
