We had ERO visiting us last week.

They were impressed with the children’s confidence in approaching them and their willingness to share their learning, particularly their science learning. They expressed how lovely the tone of the school was and how welcome they felt in our Kura. They noted how culturally inclusive we were and particularly noted the natural level of Te Reo spoken through out the school. Wonderful comments. The confirmed report will be out early next year.

Some things coming up to look forward to;

The pop up carols we are hosting on December 13th

The Stokes valley Christmas Parade...

Saturday December 2nd

This year our float will be

Kaitiaki focused and reflect all the wonderful learning that has happened this year including the Bioblitz.

If you would like your child to be on the float, please let us know in the office.

You may have heard a whisper, that we have a staff member retiring at the end of the year. It is with delight and sadness we inform you Mrs J... Norah Jennings is retiring at the end of this year. She has been at this school for 23 years and we look forward to farewelling her in style at our assembly.
