We have been really impressed with the way some of our senior students have been stepping up over the past few weeks. They have been demonstrating our KORAU values both in class and in the playground. It is great to see them being positive role models for other students and to see them step up as leaders in our school.

**BOARD OF TRUSTEES**

The Board of Trustees has a casual vacancy for a parent elected trustee and will be holding a by-election next term. The official notice will be published, and nomination forms will be issued this week.

Below is a summary from the NZ School Trustees Website about what the role requires or feel free to contact any of the current Board members to find out what is involved.

Expectations of a Trustee:

School trustees have a very important role in making sure every child achieves their potential at school. Here are some of the things they do:

- Work with the principal and consult with staff, students and the community
- Set the educational goals and strategic direction of the school
- Monitor progress and let parents know how the school is progressing against its annual targets and how well students are achieving
- Decide how the school's funding will be spent
- Select the school's principal and support the development of all staff
- Oversee the management of staff, property, finances, curriculum and administration.

Or watch a short video clip at this link <http://www.trustee-election.co.nz/becoming-a-trustee>.

We have some great people in our school who have a lot to offer & we are looking forward to having a new point of view on the board.

**50 cent STALLS**

Remember our Year six students are running 50cent stalls every Friday at morning tea time. Buying items, supports year six children to raise money to go to camp. Please be mindful that items are all 50 cents so \$2 is the limit.

**Thank you to everyone who has supported the children in their learning, our school and all we do for the children of Koraunui School. Thank you to teachers for their commitment to children, we are lucky to have such dedicated teachers at our school.**

**Wish everyone a good break and hope you get to spend time with your children. Term 2 begins on Monday 30 April.**
