WINTER HYGIENE

As we move through winter, we ask that parents remind their children about the importance of cleanliness and hygiene for keeping healthy and well. Washing hands, wearing clean warm clothes, keeping clean, all help with staying well and avoiding bugs that are going around.

HEAD LICE

We have had some cases of headlice at school recently. Please check your children's hair, especially if you notice them scratching. Information about preventing the spread of headlice can be found at the following website <https://www.kidshealth.org.nz/head-lice>. If you have any concerns or questions, please contact the school office for advice and support.

CHILDREN'S CLOTHING

We have a lot of lost property gathering around the school again, mostly un-named. Please make sure all clothing is named and check your children are bringing their clothing home with them each day, especially as the days get colder and wetter.

ENTERTAINMENT BOOKS

Entertainment Books - Books can be bought at the office or via the web page. Digital memberships via the webpage only at
