

KORAUNUI SCHOOL COMMUNITY SUPPLIES ORDER FORM

This has been approved by Principal: Dave Lamont

Hi all...

Am thinking you may be running out of equipment by now. School can purchase equipment, authorised by the government as an essential service.

If you wish to buy any of the following supplies, please fill in the order form and email it to me. oldgirljazz@gmail.com

If you need some supplies but haven't the money, please still order and we will see what we can do for you (no promises!) If you are able to, any small koha you could contribute is welcome.

If you are in a position to add a few dollars onto your order to help some of our families out, this would be greatly appreciated.

Here is how it works:

Fill in the order form and email it to me on oldgirljazz@gmail.com. If you can't manage the form, just send me a text or message with your name, address and the order.

For example:

Joe Bloggs, 50 Smith St, Number 3 (1), 5 (2), 10 (1)

The number in the brackets is the quantity you need.

Send the \$\$\$ via internet banking to 02-1245-0313165-001. Identify with your NAME and SUPPLIES.

I will order the goods and they will be couriered to my house. I will then pack up each household's order and deliver it to your gate. I will wear protective gloves at all times.

If there are other goods you need that are not part of the order form, you can browse the OfficeMax website and add these to your order. I will require the \$\$\$ to be paid for any extras prior to making the order as some of these items could be a bit more pricy.

Hopefully, keeping you well-supplied with things for your children...and you...to do, will get us through these extraordinary times.

Kia kaha

Barbara

KORAUNUI SCHOOL COMMUNITY SUPPLIES ORDER FORM:
