Key information leading up to Huttfest

- **Please return permission slips as soon as possible for children travelling to and taking part in Huttfest.**
- Tamariki are practising their performances at school. It is important that they are at school every day so they can practise with their group.
- Please check and read our Facebook page, emails and notices coming home for updates about Huttfest.
- We would like to keep our performance a 'surprise' until the night of the performance. **Therefore, from now on our practices will be closed, which means that only staff and students who are directly involved with the performance will be allowed in.** Also, a respectful reminder that no videoing of any practices should be taking place, we have students within our group who do not have permission for their images to be used in a public forum, including private video messages. We ask that you continue to respect the privacy of our tamariki.

BOARD OF TRUSTEES BY-ELECTION

Voting forms and information for the up-coming by-election will be sent out in the next few days. We encourage you all to have a read of the information and make your vote before voting closes **on Friday 16 July at 4.00pm**. A ballot box will be in the office foyer for completed voting forms.

KCC HOLIDAY PROGRAMME – information about the holiday programme for the July holidays is available on our school website and on the last page of this newsletter. Please contact the office for an Expression of Interest form. **All bookings need to be into the office by Friday 2 July so we can confirm programmes and staffing.**

Return reply slips to the office by Friday 2 July.

BUILD and PLAY in the KAURI BLOCK

Last week the children in the Kauri team enjoyed hammering, sawing, drilling, screwing holes and lots of other exciting woodwork tasks.

They made great use of the BUILD and PLAY trolley which is based in our school for a month. This large orange trolley – sponsored by Mitre 10 and the Hutt City Council - contains an amazing array of tools and carpentry bits and pieces. The children were guided by some great adult helpers – Debbie Kelly and Rob Grant as well as their usual teachers.

After *mastering* a few basic skills; the children launched enthusiastically into constructing their own carpentry creations. **Everyone had lots of fun!**

Over the coming weeks the rest of the school will be accessing the Build and Play equipment too.

TOYS AT SCHOOL

Just a reminder that children do not bring their toys or precious belongings to school as these can be damaged or be a distraction to them and others.

50 cent STALLS

50 cent stalls will be on in the hall this Friday. Please be mindful that items are all 50 cents so \$2 is the limit per child.

Check out our Facebook page for information and photos from all of the events happening around the school.

BREAKFAST CLUB

This runs from the Kids Kitchen in the library from 8.00 -8.30am each day. Thank you to everyone who is helping to organize and run this for us.

CONTACT DETAILS

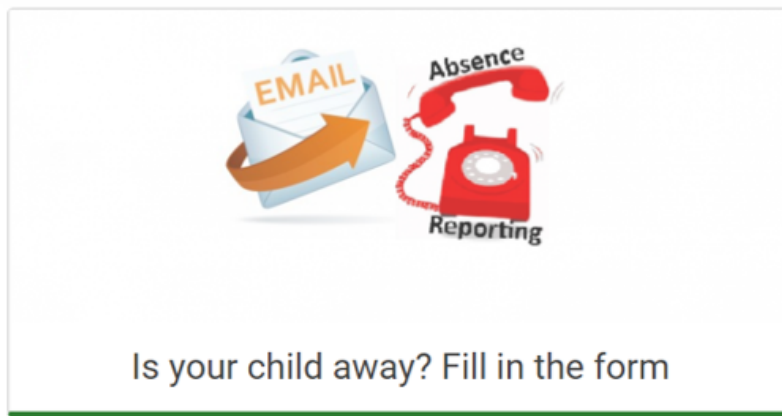

It is important that we have accurate and up-to-date contacts for safety and emergencies. If any details have changed for you, please contact the office and let them know.
