PAID UNION TEACHER MEETING
IMPORTANT INFORMATION

On **Monday 27 February** the majority of our teachers will be attending a NZEI paid union meeting to discuss the conditions and current offer for their new collective agreement that is under negotiation. This will be held between **2.00 and 3.00pm**.

Under the collective agreement schools must allow teachers, who are union members, to attend paid union meetings for up to 2 hours each year.

To enable teachers to attend this meeting we are asking parents to pick up their children at 1.30pm **IF YOU CAN**. Please sign children out if they are leaving early.

Children who cannot be picked up will remain at school and will be supervised until the end of the school day. Normal classroom programmes will not be running in the afternoon.

KCC will operate as normal after school.

MEET AND GREET

We invite all of our school whanau to join us for a chat and free sausage sizzle **between 5.00-6.30pm on Tuesday 7 March** here at school. This is an informal get together where our school community can gather for a chat, catch up and chat with our staff and each other. We will have some school sports equipment available for everyone to use and we will have the pool open for the children. We will have to limit this to 30 to manage numbers in the pool at one time.

SCHOOL POOL

Our school pool is open each day and we will look to use it right throughout the term. Please check with your classroom teacher about what days they swim and send togs with your children so they can make the most of our wonderful pool.

NON-STOP CRICKET FESTIVAL

On Tuesday, 20 children from Years 3-6, participated in a non-stop cricket festival at Fraser Park. The two teams: Years 3/4 and Years 5/6 had a very busy time; batting, fielding and running. They thoroughly enjoyed all the games and provided lots of enthusiastic support for other team members. A big thank you to our helpers: - Alex Sutcliffe, David Paterson and Whaea Kylie. Also, a thank you to Seini Dromonivula for providing transport. It was a great day.

ROAD SAFETY AROUND THE SCHOOL – DRIVE SAFELY

Over the first few weeks of the new school year, we have noticed a number of dangerous driving behaviours such as

- people doing U-turns on the road around the road patrols,
- using driveways to park in to collect children
- driving fast around the road patrols and school.

These are all **dangerous behaviours that are putting children and pedestrians at risk.**

Please drive responsibly around the school and if needed, park up the road or on Montgomery Street and walk up to school to collect your children.

CAN YOU HELP?

The mornings before school starts are really busy for staff. We have a **Breakfast Club** available to children from 8.00-8.30am each day. **Help is needed to run this. To date we have not been able to run Breakfast Club each day as we don't have enough helpers.**

2PM CLUB

All children including those who attended last year will need to be booked into 2PM Club by [clicking here](#)

Every Wednesday and Friday we run 2pm Club between 2.00-3.00pm for children whose parents book them in for this service. The cost of 2pm Club is \$2.00/session. This is to cover the cost of supervision during these times.

HATS & WATER BOTTLES

It is fantastic to see so many children with hats on as we begin the new school year. Please make sure your child has a **sunhat to keep at school, clearly named** so any ownership disputes can be quickly resolved. We encourage children to bring **named water bottles** with them to help keep them hydrated during the day.

STUDY CENTRE

Once we have an idea of enrolments, we will begin Study Centre for this year. You can enrol your child/children in one or more of these sessions.

If you would like your child to attend Study Centre and they are **Year 4 upwards**, then please fill in the return form on the last page of the newsletter or contact the office for an enrolment form. Sessions run for 1 hour after school finishes Monday-Thursday. This is a free service for our students.

50 cent STALLS

50 cent stalls are run by our Year 6 students as a part of their camp fundraising and held every Friday at morning teatime in the school hall. Please be mindful that items are all 50 cents so \$2 is the limit per child.

50 cent stalls will be in the hall at morning teatime and will begin **THIS FRIDAY**. We will make sure the hall is well ventilated during this time.

COMMUNITY GARDEN AND COOKING

Yesterday Deb from He Puāwai Trust was at school today cooking up a storm in Kids Kitchen. She was joined by 2 of our fabulous Year 6 students and together they very tasty and morish Zucchini Bake. If you would like to make this dish at home the recipe has been attached to the newsletter email.

If you would like to join Deb for a cooking session, she will be based in our Kids Kitchen every Wednesday morning from 9.00am

Debbie works alongside whānau in all things kai, but with a special focus on growing, cooking and sharing skills.

If you're keen to take part in community classes, or want to join the kai movement beginning to take shape in Stokes Valley, please contact the school office or get in touch here:

SCHOOL FACEBOOK PAGE MEMBERSHIP REVIEW

In the coming weeks we will be reviewing the membership of our Facebook page. Our page is intended for families and whanau with a direct connection to Koraunui School through children who currently attend our school. For whanau of children who have left, we will remove them from the page. We thank everyone who has supported our school over the years and used Facebook as a means of communicating, supporting our school and sharing stories about their children.

Remember to keep up to date with what we are up to via our school website.

COVID RAT's

We have been informed that there are some cases of COVID-19 popping up in Stokes Valley again. This is a reminder to us that we all need to keep up with our hygiene practices and stay home if we are feeling unwell.

If anyone needs RATs, please contact the school office as we have a supply that we can distribute to school whanau who need to carry out COVID tests.

Koraunui Stokes Valley Community Hub also has a good supply of RATs available to the community should they need them.

BANK ACCOUNTS

Many families keep a small bank account with the school office to pay for items, event or sports fees during the year. If you would like to do this, please come and talk to Maree and she will show you how it works.

Some families have set up a regular bank credit to do the same thing. If you wish to do this, the lovely office ladies will help with this. Our account is Koraunui School Board of Trustees 12 3478-0015483-00

KORAUNUI SCHOOL ENROLMENTS

Do you have or know of any 5-year-old children who are starting school this year or next year? New student enrolment forms are available at the office or on our website under "About us". If you require further information, please contact the office on 939 9707 or message us on our school website or Facebook page, email office@koraunui.school.nz. We are happy to talk with parents about our school and show them round so they can get a feel for how we operate.

CONTACT DETAILS

It is important that we have accurate and up-to-date contacts for safety and emergencies. If any details have changed for you, please contact the office and let them know.

RUBBISH AND PACKAGING

As a part of the work we do as an Enviroschool, working to take care of our school and local environment, we are asking that all packaging that comes into school with children is returned home each day unless a class is doing a specific task around packaging. It would be fantastic to see no rubbish blowing around our school grounds.

FROM THE PUBLIC HEALTH NURSE

Kia ora,

I would like to remind parents and caregivers of the importance of keeping your tamariki up to date with immunisations. There are a range of childhood diseases that can be prevented by immunisation such as Whooping Cough, Polio and Measles and there is a series of vaccines that are offered **free** to babies, children, adolescents and adults.

If you are unsure of your child's immunisation history you can either phone your GP and speak to the practice nurse or text me on 027 264 0842 with your child's name, date of birth and school and I can check for you.

MEASLES

Measles is a very serious illness. It spreads through the air by sneezing and coughing.

The first signs are a high fever and runny nose, cough, and red eyes. Tamariki are at risk of measles if they haven't had their MMR vaccines that are usually given at 12 and 15 months.

The best prevention is two MMR vaccinations. If you are unsure how many your family have had, check with your doctor. Vaccines are free for tamariki and adults who have not had two doses.

MINOR AILMENTS SCHEME UPPER HUTT – available to Stokes Valley residents

A new pilot scheme has launched in Upper Hutt to enable eligible people to access some free medicines from selected local pharmacies for minor illnesses where and when they need it.

The 12-month pilot is designed to help people with minor illnesses to access healthcare and is available for anyone:

- Under 14yrs old
- With a community services card

The conditions that pharmacists can help you with include:

- skin ailments (nits, eczema, scabies, fungal infections)
- eye inflammation
- dehydration (usually from vomiting and diarrhoea).

The participating pharmacy locations are:

- Lagans Pharmacy
- Queen St Pharmacy
- Unichem Maidstone Pharmacy
- Unichem Upper Hutt Health Pharmacy
- Unichem Upper Hutt Pharmacy

The opening hours and addresses for these pharmacies can be found on [HealthPoint](#). A pharmacist can provide advice on, and treat, common and minor illnesses with a range of medications. The pharmacist will refer patients to a GP or other health care service if the patient's condition requires it.
